## June 2017

Last month was pretty well all about the **Annual Tournament**. And what a fantastic week it was! Ladies Day had a record field of 109 players, Ambrose & 4BBB days were well supported and the Men's field down on other years. But overall, a social & financial success due to the tireless efforts of the many club members who worked every day of the event.

Amazing team effort.

## Note

A huge thank you to all the Tournament sponsors—WAW Credit Union, Rintalech Engineering, Beechworth Designer Gifts, Drummond Golf Albury, Edge FM 102.1, Wood Park wines, Club Savoy and Alpine Shire.

Our new website is in hand, thanks to Col Fraser. Waiting on hole descriptions and committee photos. [www.myrtlefordgolfclub.com.au/mgc](http://www.myrtlefordgolfclub.com.au/mgc) This site will be all inclusive with both Men's and Ladies' results and updates.

Myrtleford Speedway has requested approval for a boundary fence along the 4th. Might make it less easy to go OOB over the existing barrier!!

The following clubs have accepted our offer of a weekly round of golf as a player award—MF Football & Netball, Whorouly and MF Savoy Soccer.

Gill has been working on applications to the Alpine Shire for 2 grants—Event Funding & a Capital Works Community Grant. Let's hope they are successful.

Treasurer Graeme reported that the month of May was ahead of plan which is a good outcome.

Welcome to new, full member **Andrew Armstrong**.

Some long term plumbing issues have been fixed thanks to Barrie Bynon...and a registered plumber! Significant work had to be done on spouting and a drainage problem under the clubhouse. Just in time for winter.

Kerry Newton is still chasing birdies! This time up a tree on the 3rd. Good luck with that shot Kerry....

## Vic Golf Par 3 Championships at Kyabram Parkland

**Sandie Church & Jan Roseby** represented Club MF at the Par 3 Championships last week. Together with the Beechworth girls, they had a great 2 days. Sandie finished 7th in C-grade, only 8 off the pace, on a very challenging course.

“The B-Grade gross title went to Myrtleford’s Jan Roseby on a countback from overnight leader Mary Walkinshaw from Boxhill. Roseby fired a final round of 65 to Walkinshaw’s 71 to make up six shots & claim the B grade title. She was also the B-grade nett winner on the second day of play with a 52.”

Great result in a field of 100 players from all over Victoria.

### You Cannot Be Serious!!!!

**Tom was a man of faith and a man of the golf course. He played golf religiously every Sunday, but only after having been to church.**

**He was getting on in years, and one day after feeling ill, he said to his wife, “I sure hope there’s golf in the afterlife. I feel terrible!”**

**His wife told him not to overreact and talk about the afterlife. “Go to church and say a little prayer,” she suggested, “and you’ll feel better.”**

**So Tom headed to church. As he knelt at the pew, he whispered a prayer,**

**“ Oh Lord, thank you for everything—my health, my wife and my golf game. I hope that when I reach Heaven I can still play golf.”**

**As soon as he finished, a voice thundered, “Tom, this is the Lord. I hear you and will answer your question. Do you want the good or the bad news first?”**

**Tom was startled. “Well, give me the good news,” he said.**

**The Lord replied, “The good news is that in Heaven, we have thousands of championship courses, play is never slow, it’s always free and you will never lose a golf ball.”**

**Tom was ecstatic, “That’s wonderful. You’ve answered my prayer! But what is the bad news?”**

**The Lord replied, “You tee off tomorrow at 9 am.”**

### Winners are Grinners

2017 Match Play Club Champ—**David Matthews**, B-grade **Ichilis Giovanni**, C-grade **John Welch**, making it a double.

Monthly Medal winners for June—**Craig Piazza & Kylli Vasey**, her first. Congratulations all round.

### Updates & Results

Keep up to date with what’s on and for the weekly **golf results** by logging onto the **MGC website**. I’ll be away caravanning for the winter, so the Newsletter will be done by remote and cyber help. Send me news & photos.....
