Etiquette/Slow Play

Slow play is a major concern and it is essential that all players are aware of what is happening around them. It is the responsibility of the low marker in each group to maintain their place on the field.

- Walk quickly between shots
- Be ready to play when it is your shot
- Do not take more than one practice swing
- Do not mark your card whilst on the green. If you are first on the tee, hit first then mark your card later
- Try to hole short putts, unless you will be standing on another player's line
- Do not leave your golf bag on the side of the green. Always leave it to the side nearest the next tee
- If there is a clear fairway in front of you, your group is too slow

Motorised carts

- Players rent carts at their own risk and are responsible for any damage to the cart
- Persons must be 18 years of age or older
- To prevent possible serious injury, drivers and passengers must keep their entire bodies within the vehicle
- To prevent falls from the vehicle, remain seated when the vehicle is moving, hold onto handles/handrails at all times
- The vehicle must be operated from the driver's side only
- Do not drive under the influence of alcohol, drugs or medications that adversely affect your ability to drive or react
- Report to the club any accidents that may occur while using your golf cart.
- To prevent overturning of vehicle, drive slowly while turning the vehicle.
- Only two persons are allowed in the cart at any time
- The cart must be returned to the clubhouse by the person who rented it
