

Myrtleford Golf Club Newsletter

May 2018

This month has been the Month of golf—with **Club Championships** and our **Annual Tournament** having been held. Congratulations to **Sam Morrell**, Men's 2018 Champion, winning by 4 shots. B Grade was won by Bryan Jennings and Tony Chapman was both the C Grade winner and overall Handicap winner. Ladies Club Champ was **Jan Roseby**, by one shot, and Judy Pierce won the B Grade by an even narrower margin, on a countback. Jan was also the Handicap winner.

Notes

This year's Tournament was very successful with the number of players, over the 5 days, up on last year. A tremendous Team effort on the part of everyone as the organization of the event, the course, catering, raffles, club house presentation was highly praised. Once again, Go Team Myrtleford! A big thankyou again to all the tournament sponsors—**Rinlatech Engineering, WAW Credit Union, Drummond Golf, Beechworth Designer Gifts, Wood Park Wines and Edge FM/1566 3 NE.**

Congratulations to **John Harrington** for his Ace on the 14th. He must have really had his eye in on the day as there was nearly a second one on the 8th.

Congratulations also to **Buck Jones**, pictured with Ralph, for his 2017 win of the John Guilfoyle trophy, an NEDGA recognition. Not sure what Ralph's role was, but he insisted in being in the photo!

2018 Annual Tournament—a pictorial

Round the Traps

Saturday 16th June

Put this date in your diary— the **Casserole Night** and **Lindenwarrah Raffle Draw**. A Club Social Night so let's get together. Golfers and friends invited. Proposal to remove the gum tree adjacent to the 14th green due to its invasive root system and leaf/twig fall out. The grounds' boys won't be the only ones thankful for that!

Sports Vic has advised possible early delivery of the Defibrillator and the need for training with St Johns.

Next year's T2Green will morph into the **2019 Alpine Colour Run** to be held on March 24th. This year they has 350 participants at Wandiligong. This would be a one off event.

Etiquette/Slow Play—Reminder

You all know that player who takes 3 practice swings and reads putts from every angle? And the one who has a story or joke to tell while on the tee?....

It is essential that all players are aware of what is happening around them. It is the responsibility of the low marker in each group to maintain their place in the field.

Walk quickly between shots.

Be ready to play when it is your shot.

Do not take more than one practice swing while others are waiting.

Do not mark your card whilst on the green. If you are first on the tee, hit first, then mark your card after.

Try to hole short putts, unless you will be standing on another player's line.

Do not leave your golf buggy in front of the green. Leave it to the side of the next tee.

If there is a clear fairway in front of you, your group is too slow.....

And.....repair those divots & pitch marks, rake the sand, turn off your phone....**be the good guy.....**
