## June 2018

Golf—they say it's a winter game. Well, we're about to find out all about the winter part of the game. As I type it's foggy outside, we've just had over 100ml of rain over the past few days and the current temperature outside is a balmy 3 deg. Goodbye to all the generous run we've been enjoying over the past few months. Hello to foggy conditions, mud on your ball and no run!

Spotto Faye McLees coming down the second. In there somewhere!

Congratulations to the Buckmaster for his Ace on the 4th at Jubilee. Buck's on a roll with a few wins under his belt lately.

And, on the subject of accurate hitting—in the group of Angela O'Shaughnessy, Sandie Church and Marnie Broz—3 balls on the 1st, Angel's the NTP, followed by 3 birdies. Go girls!

## Notes

No committee meeting this month, so no notes! Space for lots of photos.....

Instead, we use the space to advertise the great **Crepe Myrtle Drive** as part of our ongoing, course beautification program. Trees are **\$25 ea** and members are encouraged to donate a tree. If you can't see your way to purchasing a beautiful crepe myrtle we'd be very grateful for donations of stakes, tree guards and muscle to help dig 20 holes!!

I believe a long shafted putter would make an ideal tree stake!

## Casserole Night

What a successful social, fund raiser for the club. Thanks to all the members and their friends who attended.

Congratulations to Trout, winner of the popular Lindenwarrah raffle prize. We all wanted to win that one. Have a great weekend Trout & Belinda.

## Vic Golf Par 3 Championships

Club Myrtleford was represented this year by Marg Curtis, Jan Roseby & Robyn Ternes at the very challenging par 3 course, Kyabram Parkland golf club.

No winners this year but a great time had by all. In the side event, Team Yackandandah was victorious over Myrtleford and Beechworth

## You Cannot Be Serious!!!!

Dear Abby

I've never written to you before, but I really need your advice. I have suspected for some time now that my wife has been cheating on me. The usual signs. Phone rings but if I answer, the caller hangs up. My wife has been going out with "the girls" a lot recently although when I ask their names she always says, "Just some friends from work, you won't know them."

I try to stay awake to look out for her coming home, but I usually fall asleep. Anyway, I have never approached the subject with my wife. I think deep down I just don't want to know the truth, but last night she went out again and I decided to really check on her. Around midnight, I hid in the garage behind my golf clubs so I could get a good view of the whole street when she arrived home from a night out with "the girls."

It was at that moment, crouching behind my clubs, I noticed to my horror that the graphite shaft on my new, expensive driver appeared to have a hairline crack right at the club head.

Is this something I can fix myself or should I take it to the pro shop where I bought it?

Signed, *Perplexed*
